Pressure Washing

Minimum Charge \$25

We are glad to offer pressure washing services for siding, fencing, decks and patios, and sidewalks. Please call or email for further information regarding any other materials or objects. Thank you very much for inquiring about our home services!

The following service includes all taxes and fees. It is based on a per square foot measurement including any and all protruding and/or recessed structures in addition to all single or double sided surface areas being washed. Included in the service will be application of standard cleaner designed for stated structure/material and pressure washing to remove cleaner.

Standard scrubbing to remove debris, obstacles prohibiting access to area being washed, and ladder access areas may incur an extra labor rate of \$35/hour. All stains might not be removed. **High pressure** is used to clean all materials/structures. *Please check condition of materials/structures before proceeding.*
